Mr. Jackson:

It was a great honor to have you speak at our annual Pro Bono Publico Awards luncheon on Saturday. Thank you for taking the time to provide the keynote speech at our luncheon. I have received many favorable remarks about your speech and your sharing of your personal experiences with the needs that exist within the legal system.

We truly appreciate your support of legal services and pro bono legal services for those who cannot afford an attorney.

Best regards,

Cheryl Zalenski
